# Recycling Program Proposal

Date	Estimate #
6/26/2009	1010

Name / Address
Roofing Contractor - Example Indpls Metro Area Indianapolis IN

Project

Description	Qty	Rate	Total
<p>Provide 10 Yard Roll-Off Container to be used for tearoff of hail damaged roofs in the Fishers Indiana Area, storm was June 2, 2009. 10 yard container should hold up to 40 squares. Shingles are going for recycling and will be used in asphalt road materials. Nails and staples are ok to be included with shingles.</p> <p>Contractor will instruct his crew with the following instructions            1. nothing goes into container except asphalt shingles until job completion            2. other materials such as metal, wood, bagged shingle wrappers and bagged lunch bags/drink bottles, cardboard and miscellaneous materials from a roofing project will go on top of load.            3. when the load arrives at the Recycling Center the load will then slide out like a loaf of bread and the items other than asphalt shingles (with nails and staples in them will be on bottom and ready for grinding).</p> <p>Base Price is for up to 3 days and one ton of material (10 Squares) \$225.00 if material is loaded in roll off container as specified above. If it is co-mingled throughout the load price is \$260.00.</p> <p>For every square over 10 squares add \$2.50 if loaded as above and \$4.80 if co-mingled in the load.</p> <p>For those die hard recyclers that would like to work elsewhere than Fishers please call office for a quote, Adding Green to your list of items you provide for your customer can help you.</p> <p>If you need additional days, because the days are calendar days, the charge is \$7/day for the extra rental.</p> <p>ALL RENTALS ARE PREPAY-WE ACCEPT CREDIT CARDS OVER THE PHONE WHEN ORDER IS PLACED, PLEASE KNOW THE NUMBER OF SQUARES AND LENGTH OF TIME. WE ALSO ACCEPT CASH &amp; PREAPPROVED CHECKS AT TIME OF CONTAINER PLACEMENT.</p>		0.00	0.00

<b>Total</b>		\$0.00
